

## WEBSITE ACCESSIBILITY STATEMENT

ProFed Credit Union is committed to providing a website that is more accessible to a wide range of people with disabilities. We have made and continue to make efforts to implement the relevant portions of the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA, as published by the Web Accessibility Initiative (WAI) of the World Wide Web Consortium (W3C). Older content conforms to earlier versions of WCAG. There is no single definitive test of conformance to Level AA of the WCAG but we have used a variety of methods for assessing our accessibility.

Whether you are using assistive technologies like a screen reader, a magnifier, voice recognition software, or switch technology, our goal is to make your use of our website a successful and enjoyable experience. We recommend using the most current versions of your computer-based assistive technology applications and internet browsers. Keeping your assistive technologies and browsers up-to-date will ensure you have the most options for accessibility.

Our website may link to, or interface with, third party websites that we do not operate or control. Our website typically informs users when they are about to leave our website and prompts confirmation on whether you wish to be redirected to a third party controlled website. In order to maximize accessibility with our members, we are working with our vendors to encourage them to voluntarily comply with these accessibility standards.

Please understand that our efforts to improve online accessibility are ongoing and that there are currently no accessibility guidelines (including WCAG) or technology that will address every user need for people with disabilities. We welcome any feedback or suggestions you may have for improving the accessibility of our website. If you have any feedback or suggestions or, if you any issues using this website or need assistance, please contact us by phone at 260-373-1633 or by email at [marketing@profedcu.org](mailto:marketing@profedcu.org).
